

2009 St. Louis Brews Schedule – Official

This is the official monthly beer schedule for the St. Louis Brews. This list is not a hard and fast rule, but merely a guideline to keep the club running smoothly and with some semblance of order. If you feel the need to bring a beer not in one of the monthly styles, please do so. The Brewmeister will make every effort to integrate it into the tasting, but don't feel hurt if it doesn't make it in.
